

**Rosemont Market & Bakery** is an award-winning, independently owned business dedicated to cultivating community through local food. Our mission extends from our Portland-based production and warehouse facility to our six local markets in the Greater Portland region. This summer, we are excited to expand our offerings with a new Rosemont experience: The Rosemont Market & Wine Bar at Thompson's Point. This modern space will feature a grab-and-go style market, as well as a full-service wine bar showcasing our robust and intentionally curated wine program.

Our wines are intentionally sourced from around the globe to include only products that offer the best flavor, a great story, and are produced using sustainable practices. We focus on small-scale agriculture and emphasize organic and biodynamic methods whenever possible. We seek to demonstrate diversity in our winemaker representation, and we are always on the lookout for new and interesting wines to bring to our community. Our bar menu will also highlight rotating, seasonally-driven small plates and pairings to our hand-picked wines. Behind the broad, 40-seat marble bar, our knowledgeable bartenders will guide our guest experience with trusted recommendations and superb service. We are seeking friendly, passionate, experienced, wine-focused bartenders to join the team at Rosemont Market & Wine Bar this July.
