

Rosemont Market & Wine Bar is our opportunity to showcase Rosemont's robust and intentionally curated wine program. Behind the broad, 40-seat marble bar, our knowledgeable bartenders guide our guest experience with trusted recommendations and superb service.

Our wines are intentionally sourced from around the globe to include only products that offer the best flavor, a great story, and are produced using sustainable practices. We focus on small-scale agriculture and emphasize organic and biodynamic methods whenever possible. We seek to demonstrate diversity in our winemaker representation, and we are always on the lookout for new and interesting wines to bring to our community. Our bar food menu also highlights rotating, seasonally-driven small plates and pairings to our hand-picked wines.
