

HAPPY MOTHER'S DAY!

Someone You Love Would Like to Gift You

8 Months of Flowers From Rosemont Market & Bakery

HOW TO PICK UP YOUR BOUQUET:

Your flower subscription is connected to your Rosemont Rewards account; therefore, you can pick up your bouquet at any of our seven markets, and you can even change locations month to month!

1. When you arrive to pick it up, select your favorite bouquet from the display.
2. Bring your bouquet to the register to check out as you normally would, be sure to scan your Rosemont Rewards card or tell the register employee your name to link to your account.
3. Your monthly flower bouquet e-coupon will automatically apply to your purchase, removing the cost of the bouquet entirely from your transaction.

On the first of every month, your subscription will automatically update and your next e-coupon will be ready for use!

Please note: If you skip a month, it will not automatically be added to the next.

If you have any questions, please email hello@rosemontmarket.com.
